PROFILE

Passionate and self-driven Full Stack Developer with a strong foundation in the MERN stack and cross-platform mobile development using Flutter. Skilled in JavaScript, Dart, API integration, and responsive UI design. Committed to writing clean, efficient code and continuously improving through learning and collaboration. Adaptable team player with a keen interest in solving real-world problems through technology.

PROJECTS

April 2024 - June 2024

Autocart-The Future Of Shopping

TechnologiesUsed:Flutter,Firestore,Raspberry pi

- Built an Autonomous Shopping Cart with real-time product scanning and a mobile app for digital payments.
- Integrated YOLOv4 and Raspberry Pi for navigation and obstacle avoidance.
- Enhanced shopping efficiency by reducing checkout time.

September 2024 - November 2024

Smart EVM Blockchain

TechnologiesUsed: ESP32, Flutter, Ganache Blockchain

- Developed an EVM using ESP32 and physical buttons for secure voting.
- Integrated Blockchain for transparent and tamper-proof vote storage.
- Built a Flutter-based Web App for real-time vote monitoring.

Jan 2025 --Feb 2025

E-commerce

TechnologiesUsed: MongoDB, Express.js, React, Node.js,

- Developed a fully functional eCommerce platform with user authentication and role-based access.
- Implemented product listing, cart management, and secure checkout using JWT authentication.
- Integrated Cloudinary for image uploads and ensured a responsive UI for seamless user experience

EDUCATION

2022 - Present

MOUNT ZION COLLEGE OF

ENGINEERING AND TECHNOLOGY

- Computer Science And Engineering
- CGPA:8.1

2020 - 2022

MCTRM RAMANATHAN CHETTIYAR

HIGHER SECONDARY SCHOOL

- 12th
- 85%

TECHNICALSKILLS

- **Languages:** JavaScript, HTML, CSS, Python,Dart ,SQL , Java,C,C++
- **Frameworks:** React.js, Express.js, Node.js, Flutter, Tensorflow
- **Databases:**MongoDB, Microsoft SQLServer
- **Version Control:** Git, GitHub
- **Tools:** Visual Studio Code, Microsoft 365

SOFT SKILLS

- Strong problem-solving
- Effective communication
- Time management
- Teamwork, team management
- Adaptability, and continuous learning

CERTIFICATIONS

- **React.js :** Guvi
- **Html&Css :** Guvi
- **Programming with JavaScript:** Guvi
